## **Frequently Asked Questions**

### **What is Mountain Flight in Nepal?**

Mountain flight is a popular tourist activity in Nepal where you can experience the spectacular aerial view of majestic mountain peaks, including the world's highest mountain, Mount Everest. A mountain flight to Nepal is a fast, easy, and thrilling opportunity for those seeking a closer view of mountain peaks but with limited time to spend.

### **Where does the Mountain flight start?**

Mountain flight starts from the domestic airport of Kathmandu and takes you through a scenic aerial view of the beautiful landscape of Nepal. The Mountain flight is awe-inspiring, with the view of Kathmandu's big buildings and traditional Sherpa villages. After exploring the beauty of the Himalayas of Nepal, including mountain peaks, glaciers, icefalls, gorges, traditional villages, and monasteries, you'll return to Kathmandu.

### **What is the cost of the Nepal Himalayan tour by plane?**

The cost of the Nepal Himalayan tour by plane ranges from USD 236 to USD 240, depending upon your group size. The cost involves exploration for about an hour. Yet the price differs depending on the demand, season, and whether you want a solo tour or are comfortable mixing with other groups. Feel free to inquire about the cost of customizing your plan at WhatsApp at +977 9851033819.

### **How long is the Everest tour by plane?**

The Everest tour generally lasts for 1 hour, including starting from Kathmandu airport to the Everest region, roaming around the Himalayas peak, and flying back to Kathmandu. Although the time sounds limited, you'll see the beauty of mountain peaks in a close-up view and enjoy the moment. Yet, the

duration differs slightly due to unpredictable weather conditions.

### **Can we see the mountain from the plane?**

Yes, you can see the mesmerizing mountain views from the plane. The tour shows the majestic Himalayas, Mount Everest, and other surrounding peaks. We created the tour package to provide a clear and bird's eye view of snow-capped mountains from the comfort zone of the plane.

### **Can we get the best seats near the window?**

Yes, you can get a seat near the window for a better view during the tour. We guarantee a window seat for you during the Mountain flight in Nepal. Even your children can sit next to you.

### **Are children allowed on mountain flights?**

Yes, children are allowed on the mountain flight in Nepal as the tour has no age restriction. The tour generally lasts 1 hour and doesn't involve trekking or any physical demand, so children can also get involved in the mountain flight.

### **What is the Everest tour for Indians?**

The Everest tour for Indians is the same for any other nationality. Like others nationally, the Everest tour for Indians involves a scenic flight that takes off from Kathmandu and gets to the Everest region, providing a glimpse into the stunning landscape of Nepal. The tour provides a close view of the world's highest mountain, Mount Everest, and its surrounding peaks. Yet, the price for the package can be less for Indians than for other citizens. Contact us for more details.

### **What time does the Everest flight start?**

The Everest flight starts early morning, around 6 to 8 am, to give travelers a stunning sunrise view over the mountain peaks. Yet, weather conditions and booking arrangements differ, as does the timing. But it is best to have a flight early in the morning, around sunrise. The timing allows the best visibility and clear views of mountain peaks.

### **Solo can travel to Everest by plane?**

Yes, solo travel to Nepal Mountain flight is possible. Yet the cost is extra for solo travelers than traveling in a group. We can manage a solo tour for a Mountain flight, but if you feel comfortable traveling and mixing with other groups, we are also ready for that. As requested, we can make arrangements for your Nepal mountain flight.

### **How can We book the Mount Everest flight in Nepal?**
